Master Builders name North East's top builders

North East Victoria's top Commercial and Residential Builders last night recognised at Master Builders Regional Building Awards for outstanding projects in the region.

Southern Cross Developers were crowned the region's Commercial Builder of the Year for the Scot's School in Albury. Meanwhile, Hedger Constructions Pty Ltd were named the region's Residential Builder of the Year for the Thornton project.

Master Builders Executive Director, Brian Welch, said all entrants presented competitive and attractive projects, making the judges' decisions difficult.

"I congratulate the winners for incorporating a high level of quality and workmanship into their projects," he said.

"Customers in North East Victoria can approach all the builders recognised in these awards with confidence – knowing their work has been measured against the highest possible standards."

Media welcome at awards.
