## **Master Builders helps Moorabbin tradespeople weather the storm**

Local builders in Moorabbin will hear about the latest market trends and tips to support their business when Master Builders brings its next Trade Night to Moorabbin on Wednesday (19/9).

“The year ahead holds many challenges for those working in the building and construction industry,” Executive Director Brian Welch said.

“We’ve seen a number of changes and there are many more ahead so information like that which we provide at our Trade Nights will be critical for the ongoing success of businesses great and small,” he said.

“And the best part about it is that it’s free for both members and non-members of the Master Builders.

“Master Builders holds regular Trade Nights across Melbourne and regional Victoria to spread information and enable those working in the industry to network.”

Some of the topics covered at the Moorabbin Trade Night include:

- Carbon Tax implementation;
- Insurance tips;
- OHS updates;
- Business planning tips;
- Business update (e.g. financial do’s and don’ts);
- Details of new products and services; and
- Technical news (e.g. regulation updates).

“Local residents rely on our industry to build their homes and workplaces and to deliver new or improved community assets like schools, hospitals and roads,” said Mr Welch.

“We want our industry to thrive and the Trade Night provides a great opportunity for builders and subcontractors to hear the latest news that will help them provide the quality products people across the Moorabbin area want.

Master Builders members and non-members are welcome at Trade Nights. As a Trade Night guest, tradespeople will have the opportunity to ask questions and get one-on-one advice from Master Builders’ staff. Guests also have the chance to win a variety of door prizes and can enjoy some light refreshments at the end of the night.
