

Sector Group Committee Candidate

Chris Doufas

GENERAL CONTRACTING NOMINEE

Chris Doufas
Building Engineering

Chris Doufas is co-founder and Director of Building Engineering and has over 28 years' experience in the building industry. He is passionate about respecting fairness and responsibility and has invested strongly in a can-do working culture that doesn't cut corners, that believes in the skills, experience and ideas of its people and inspires excellence. Throughout the almost two decades of delivering essential community projects, Chris has a deep grasp of local, Victorian and Federal government procurement processes.

A firm believer in the importance of Master Builders Victoria's voice with government, Chris is a strong advocate for broad representation, diversity and inclusiveness.

As a current member of the General Contracting Sector Group Committee, Chris provides perspectives from the mid-tier commercial construction point of view.
