

Sector Group Committee Candidate

Dale Kennedy

GENERAL CONTRACTING NOMINEE

Dale Kennedy
Harris HMC

Current member of the Master Builders Victoria General Contracting Sector Group Committee and Managing Director of Harris HMC since 2011, Dale leads a 250 strong team and has overseen \$1.5b of construction works. Harris HMC's broadened offering includes projects in construction, interiors, maintenance services and property development. Projects range from reactive maintenance to \$30m builds. This broad range of projects gives Dale a unique and rounded perspective, important in enabling his ability to contribute to the General Contracting Sector Group Committee.

Dale has been instrumental in the growth of Harris HMC as a leading and successful construction company. Dale is passionate about his vision, and ensuring the company continues to evolve as one of Australia's Top 1% construction companies. Beyond this, he is committed to the strong and ethical development of the building industry as a whole and to supporting the workers who contribute to its prosperity and development.

As a Committee member, Dale hopes to continue to use his experience and vision to maintain and advance the building industry in its contribution to the community it serves.
