

Sector Group Committee Candidate

Greg Cole

SPECIALIST CONTRACTOR NOMINEE

Greg Cole
Nuform

In terms of my experience and qualifications in the building trade, I have been a bricklayer, carpenter, registered builder, housing supervisor, building approvals officer, foreman, and project manager, just to name a few. My company, Nuform steel fabrications, currently works across EBA, domestic, civil and non-EBA sectors. This gives me a very good understanding of how all these sectors work.

I am currently on the Specialist Contractor Sector Group Committee. I am not a politician so I am not scared of speaking up when required. I am willing to listen to and like to hear others' point of views on things. I am only reapplying to be on the Specialist Contractor Sector Group Committee to help better the building industry.
