SPECIALIST CONTRACTOR NOMINEE

Michael Byrne
Byrne Construction Systems

I have been involved in the building and construction industry from 1972 starting as a bricklaying apprentice. Have been running my own bricklaying business since 1979 and joined Master Builders Victoria in 1994. I have a domestic builders licence and a commercial building licence. I have also been a member of Master Builders South Australia. Our clients include all the tier one builders. I have vast experience in industrial relations and have been on many industry committees over the last 40 years. I am a certified Fellow of the CEO institute.
