JUDGING CRITERIA

Entries will be assessed by the following criteria:

RESIDENTIAL PROJECTS

- Quality of construction
- Design
- Client relationship
- Execution of design
- Value for money
- Sustainability/Innovation

COMMERCIAL PROJECTS

- Quality of construction
- Project management
- Value for money
- Client relationship
- Innovation
- Site management

JUDGING

Judging will take place between 3rd April to 5th May 2023.

A judging panel will inspect all projects entered. It is also important that relevant personnel (i.e. builder and client) attend the on-site inspection and will be able to answer any questions posed by the judges.

Entrants will receive at least one week's notice of the inspection time and date. There is limited ability to reschedule allocated inspections. Ensure you have advised of your and your clients unavailable dates during the submission process. Whilst Master Builders Victoria cannot guarantee that we can accommodate your request, it will be taken into consideration at the time of scheduling. Please allow at least 45 minutes to 1 hour per site for inspection.

The judges' decision is final and binding. If in the opinion of the judges the entries do not reach the quality standard for the competition, the judges and Master Builders Victoria in their discretion may decide not to grant an award in that category. The Judges may also at their discretion reclassify any entry. Should this occur, affected entrants will be notified in advance.

MEDIA COVERAGE

Media coverage of the Master Builders Victoria Regional Building Awards includes (but is not limited to) the Master Builders Victoria Construction Awards magazine, Winning Homes magazine, Master Builders Victoria website and Master Builders Victoria magazine. Please be aware you may be contacted by the publishers of the Excellence in Construction Awards and Winning Homes magazine News Corp, to discuss advertising opportunities for this publication. Editorial comment on and photographic display of the projects entered will be at the discretion of the appropriate media and Master Builders Victoria. Whilst it is the aim of Master Builders Victoria to feature the work of entrants accurately, there will be no responsibility taken for discrepancy, error, omission or misrepresentation of that entry in any media report. Master Builders Victoria will also be promoting pre, during & post awards, on all of our social media channels.

- Images must reflect the category entered.
- Images must highlight any special features of the project as well as general shots.
- A minimum of eight (8) images (mix of internal and external images). Please supply landscape format rather than portrait.
- If entering a renovation/addition category please include two (2) before images and clearly identify them as the before images.
- Resolution of 300dpi with an image size of 21cm x 29cm (i.e. equates to A4 in size maximum) in JPEG file type only (please no PDF, PPT or TIFF file types).
- No mobile phone images accepted.

If your images are not of high quality you could be asked to resubmit them.

D. PLANS

Max A3 size include elevations/floorplan.

E. ENTRY FEE

\$350 (first entry) \$220 (additional entry)

F. CONTRACT AND PERMITS

Please provide the following:

- Building permit
- Occupancy permit or certificate of final inspection
- Contract - Title page including; name of builder, client information, address of project; and the page that displays contract price, and final statement (signing page)

In the instance that the builder is entering their own home or that of a next of kin a warranty certificate is a requirement of entry and will need to be supplied. To support your entry we recommend that you provide additional information including; promotional brochures, client satisfaction letters, media articles or video/time lapse videos.

G. WRITTEN CONFIRMATION

A written confirmation on company letterhead that there were no serious injuries or deaths occurred onsite during construction. A written confirmation on company letterhead that there are no outstanding debts or complaints relating to the project.

FREQUENTLY ASKED QUESTIONS

Who can enter the Master Builders Victoria Building Excellence Awards?

The awards are open to all Master Builders Victoria members within the commercial sector and/or the residential sector of the building industry. To be eligible for entry the project must have been completed within a two year period prior and have reached practical completion by the entry closing date.

Why should I enter?

To gain a competitive edge. Past winners of these awards have gained a valuable self promotion tool. All entrants are showcased in the glossy awards magazine distributed after the presentations. These magazines are distributed to all Master Builders Victoria members. Winners are promoted on the Master Builders Victoria website for 12 months. You receive one complimentary ticket to the Awards Presentation Evening. The awards presentation evening provides the opportunity for you to thank and recognise the hard work of your staff, contractors and to show appreciation to your clients by treating them to a prestigious gala event and night out.

How should I put my entry together?

Members are asked to register via masterbuildersvic.awardsplatform.com (online awards platform) and follow the step by step process to submit all required information and images. Judging criteria and entry requirements can be viewed once you create your first entry. You can continue to make changes or update your submission right up until deadline. It really is just simply following the prompts once you have registered. Judges will view your completed submissions online and will still conduct an inspection of the entered project.

Can I enter the same project as last year?

No, previous entries may not be resubmitted.

What sort of photos are required to be submitted with my entry and when are they required?

Images of the project must be submitted at the time you submit your entry. Images are to be taken by a professional photographer and should include an assortment of internal and external shots. All images are to be landscape page layout. Images must be 300dpi in resolution in JPEG file type only.

Do you have a photographer you can recommend?

Yes, we work closely with and can recommend a professional photographer. Please Phone **(03) 9411 4570** to request further information.

What are the photos used for?

The images are used for a variety of purposes: media, newspaper and magazine print but most importantly these images are used within the audiovisual presentation of the awards night. Therefore good quality images will better profile your entry on the night and in various publications if used. Photos of your project are not viewed as part of the judging process.

Are there finalists announced in each category?

No. Master Builders Victoria do not have finalists. All entries are eligible for an award unless previously advised that the entry does not meet the judges criteria.

Are the winners notified before the Awards Presentation Evening?

All winners are announced on the night during the award presentations. No winners are notified prior to this.
