WELCOME TO THE SIMPLICITY IN SELLING SALES TRAINING PROGRAM

Simplicity in Selling is exactly what it says... the simple fundamentals of all sales and how, by going back to basics, our sales performances will improve.

Our unique fully immersive delivery method is coupled with reflective group discussion and individual real play. This allows each and every participant to explore and develop their new skills in a powerful but safe learning environment.

We trust you will be as excited about the program as we are. We know that the fundamentals that you learn in this program will drive you to greater success and realise your true selling potential.

This is Level 2 of the 4 part Sales Professional Series developed by the Building Leadership Simulation Centre.

How all participants benefit:

- Learn to refine your sales process and maximize the 3 fundamentals in selling;
- Develop effective research and preparation methods;
- Create and deliver effective presentations;
- Demonstrate real client solutions for win/win outcomes;
- Learn successful strategies to deflect common objections;
- Recognise buying signals and use effective sales closing techniques;
- Utilise follow up touch points to pinpoint future opportunities;
- Identify and maintain an effective data base;
- Set smart goals and plan for your personal success.

DELIVERY

Our unique high impact delivery includes fully immersive real play followed by group and individual reflection. Our professionally trained simulation actors are expert at responding naturally to your individual approach. Each simulation is followed by a facilitated debriefing session that explores your individual influence, strengths and areas for skill development.

WHO WILL BENEFIT

This 2 day program is designed for all front line sales staff and industry professionals looking to further explore and understand the key elements of the sales process.

CUSTOMISATION

We understand that each sales organisation is unique, including company culture, processes, abilities and expectations. Simplicity in Selling can be customised to reflect individual business needs if required. Please do not hesitate to ask us if you seek to develop your own customised program.
