

Green Card – Spill kit Induction

Course Information Sheet

About the course

This **non-accredited short course** is delivered by the **Master Builders Association of Victoria (RTO no 3935)**. Master Builders believes environmental training should achieve the same level of compliance as site safety training. The “Green Card” will offer basic awareness in a similar role to the White Card (Construction Induction Training). This program will help you to address the requirements of your environmental management system.

Learning outcomes

Students will have gained the skills and knowledge to:

- Enhance Environmental Awareness
- Understand the legal and policy obligations to respond to an environmental spill
- Utilise Environmental Preparedness - Spill Kits
- Appropriately use Spill Kits and absorbent products
- Utilise Erosion, Sedimentation and Dust Control Measures
- Become familiar with procedures for minimising erosion, sedimentation and dust.

Who should study this course?

This course is suitable for all on site personnel, including site managers, OHS&E coordinators and contractors.

Training recommendations

Learners enrolling for the Green Card – Spill Kit Induction course are recommended to have

- CPCCOHS1001A Work safely in construction industry or;
- CPCCWHS1001/CPCWHS1001 Prepare to work safely in the construction industry

prior to course commencement.

Learning support

Master Builders provides additional support to students who require assistance in completing their course assessments and requirements. A range of support services are available to students who experience literacy, digital literacy and numeracy difficulties.

Master Builders encourages all individuals regardless of their disabilities and social, racial, cultural or educational background to apply for training courses in accordance with the requirements of the *Equal Opportunity Act (Vic) 2010* and related legislation.

Course structure and duration

The course is delivered in **face-to-face classes for 3 hours**.

Upon successful completion of this course, student will receive a Statement of Attendance from the **Master Builders Association of Victoria (RTO no 3935)**.
