

# CONSTRUCTION ESSENTIALS WORKSHOP

**KNOW YOUR BUILDING AND CONSTRUCTION BASICS!**

## Is this workshop for me?

This workshop is for those who are new to, or considering a career in, building and construction and who would like to gain a basic overview of the industry.

## What will I learn?

After attending this workshop you will have an understanding of:

- The construction industry and its underlying sectors
- Jobs in construction
- Types of construction organisations
- Key roles on a construction project
- The Victorian Building Authority (the key industry regulator)
- The Victorian building legal framework
- The National Construction Code
- The importance of builder registration
- A variety of building terms
- The benefits of working in a team
