SIGN DETAILS

Size: **2400mm wide x 1600mm high**

Folded, Hemmed and Welded edges.

Eyelets every 500mm top and bottom, three eyelets on each side.

Printed full colour (CMYK digital print). Pantone colours accepted and a match will be done where possible.

Your logo is preferred to be supplied in CMYK vector format (ai, eps, pdf or svg) with all fonts outlined, to ensure your brand prints at the best quality possible. If vector version cannot be supplied, your logo MUST be

high-resolution and so be at least 300dpi and at a scale of 1:10 (png, jpg, psd).

Please use the template (see below) and insert a version of your logo in the white space above the Master Builders logo to indicate how you would like the fence mesh to look with sizing and positioning. Please do not alter the layout. To meet VBA regulations your fence mesh must include your VBA registration details.

Panels are sold in **Packs of 5 for \$299 + GST**

Number of Packs (5 per pack) required:

PAYMENT

Master Card Visa Name on Card:

Card Number: Expiry Date:

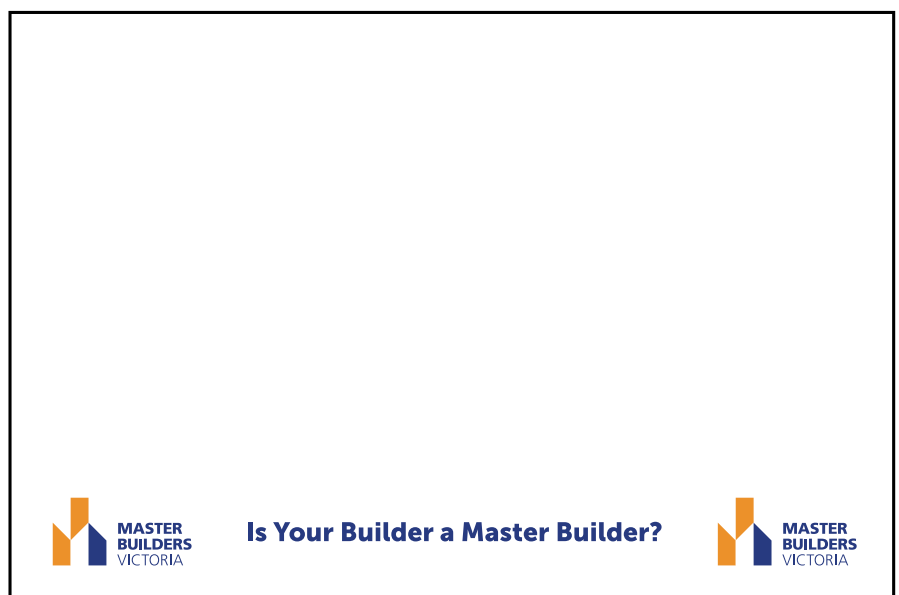

Instructions: Download the template below, OR sketch your design (see right) into the white space above the Master Builders logo and we can put together the artwork for you.

Save your final draft as a PDF and return with your completed order form via the submit button below.

You will receive a proof of the design to approve before the printing of fence mesh.

Please also attach your logo (as per above specifications) along with any additional graphics/ images you would like included.

Please call us on **03 9411 4555** if you have any questions
