

Sustainability Checklist – Commercial

To be submitted with entry for the Sustainable Project category

Project Name:

Company:

Project Address:

Contact Number:

Categories	Notes	Tick if relevant to your project
GreenStar/NABERS Rating		
Passive House Certified		<input type="checkbox"/>
6 Star (As built)		<input type="checkbox"/>
6 Star (By design)		<input type="checkbox"/>
5 Star (By design)		<input type="checkbox"/>
5 Star (As built)		<input type="checkbox"/>
5 Star NABERS		<input type="checkbox"/>
4 Star NABERS		<input type="checkbox"/>
WELL Platinum		<input type="checkbox"/>
WELL Gold		<input type="checkbox"/>
WELL Silver		<input type="checkbox"/>

Sustainability Checklist - Commercial

Categories	Notes	Tick if relevant to your project
Hot Water System		
Gas boosted solar		<input type="checkbox"/>
Heat pump		<input type="checkbox"/>
Gas boosted evacuated tube solar		<input type="checkbox"/>
Water		
Tank/greywater connected to toilet		<input type="checkbox"/>
Tank greater than 10000 lts connected to toilet		<input type="checkbox"/>
Greywater system - diversion		<input type="checkbox"/>
Greywater system - treatment		<input type="checkbox"/>
Waterless urinals		<input type="checkbox"/>
Storm water collection		<input type="checkbox"/>
Raingarden		<input type="checkbox"/>
Materials Reduction		
Recycled aggregate in slab		<input type="checkbox"/>
Fly ash in slab		<input type="checkbox"/>
Polished concrete floors		<input type="checkbox"/>
Timber - local		<input type="checkbox"/>
Timber - recycled		<input type="checkbox"/>
FSC/AFS certified timber		<input type="checkbox"/>
Bamboo flooring		<input type="checkbox"/>

Sustainability Checklist - Commercial

Categories	Notes	Tick if relevant to your project
Materials Reduction (continued)		
Decking - no merbau		<input type="checkbox"/>
Exposed ceilings		<input type="checkbox"/>
Excavation reused on site		<input type="checkbox"/>
Appliances		
5 Star gas heating		<input type="checkbox"/>
Energy monitors		<input type="checkbox"/>
Evaporative cooling		<input type="checkbox"/>
Fly screens		<input type="checkbox"/>
Solar boosted hydronic		<input type="checkbox"/>
Ceiling fans		<input type="checkbox"/>
5 Star Refrigerated air conditioning		<input type="checkbox"/>
5 Star appliances		<input type="checkbox"/>
High efficiency chillers		<input type="checkbox"/>
Passive solar design		
Breezeways		<input type="checkbox"/>
Solar chimney		<input type="checkbox"/>
North facing windows		<input type="checkbox"/>
Shading East/West		<input type="checkbox"/>
Large East/West windows		<input type="checkbox"/>
Air lock		<input type="checkbox"/>
External blinds/shading		<input type="checkbox"/>

Sustainability Checklist - Commercial

Categories	Notes	Tick if relevant to your project
Lighting		
Light shafts		<input type="checkbox"/>
Covers over downlights		<input type="checkbox"/>
Sensors		<input type="checkbox"/>
Wall construction		
Polystyrene		<input type="checkbox"/>
Hebel		<input type="checkbox"/>
Colourbond		<input type="checkbox"/>
Lightweight		<input type="checkbox"/>
Other		<input type="checkbox"/>
Indoor air quality		
Low VOC paints		<input type="checkbox"/>
Zero formaldehyde joinery		<input type="checkbox"/>
Water based timber seals		<input type="checkbox"/>
Windows		
Low-e		<input type="checkbox"/>
Double glazed		<input type="checkbox"/>
Improved AI		<input type="checkbox"/>
Thermal break AI		<input type="checkbox"/>
Performance glass		<input type="checkbox"/>
Thermally broken window frames		<input type="checkbox"/>

Sustainability Checklist - Commercial

Categories	Notes	Tick if relevant to your project
Other		
Pool/spa		<input type="checkbox"/>
Reuse of existing structure		<input type="checkbox"/>
Recycling		<input type="checkbox"/>
Physical termite barriers		<input type="checkbox"/>
Air tightness testing		<input type="checkbox"/>
Solar PV System		<input type="checkbox"/>
Bike facilities		<input type="checkbox"/>
Showers		<input type="checkbox"/>
EV charging		<input type="checkbox"/>
